

Ostello del Castello, Tirano - Italy

The "Charme h.c. Stel"

... never ending alpine emotions

OSTELLO DEL CASTELLO TIRANO

Thanks to the passion and will of a young family, an old farmhouse in the historical center of Tirano has been restored to become the first "charming hostel" in Italy.

Pleasant location for a relaxing or active holiday in the center of the Alps, in the town where the famous Bernina Express train, UNESCO heritage, starts its run to St. Moritz.

Tirano is also strategic to reach many ski areas (Aprica, Bormio, Livigno, Valfurva, Tonale / Adamello Ski, Engadin/St. Moritz, Valmalenco).

In summer you can hike (Via Alpina, Via Valtellina, Sentiero Italia...) or ride the most famous high roads of "Giro d'Italia" (Stelvio, Gavia, Mortirolo, Bernina and others). Bike park and the trails of the Transalp race are really close.

Culture and flavors of Valtellina with the amazing terraced vineyards are other elements of great charm... not to miss.

The hostel has got 8 rooms, all with private bathroom, TV, TV Sat and Wi-Fi, and 25 beds. Relaxing places as court, terrace and solarium, panoramic garden. The wifi-free access is available in all the hostel areas.

We wait for you!
